University of Northern Iowa

Medical Authorization and Summer Camp/Youth Programs Release

I hereby assume all risks of the University of Northern Iowa Summer Camp/Youth Program including property loss or damage, personal injury and death, resulting from any Program activity (including residence hall activity and transportation). I understand and acknowledge that the Program activities may include some risk or danger to the attendee and/or property. I agree to release, indemnify, defend, hold harmless, discharge, and covenant not to sue the University of Northern Iowa, Board of Regents-State of Iowa, State of Iowa, and their officers, employees, and agents, and all participants in the Program (collectively, the "Releasees") from and against all liability, loss, damage, or cost, including claims and suits at law or in equity, for injury, fatal or otherwise, and property loss or damage arising out of or related to the attendee's participation in the Program and Program activities, whether caused by the negligence of the Releasees or otherwise. I further agree that this Medical Authorization and Summer Camp/Youth Programs Release shall be construed in accordance with the laws of the State of Iowa.

I understand this camp/program will take place in a professional working theatre space, and the attendee may have the opportunity to take part in activities that, by nature, could present a danger. These include, but are not limited to, hanging lights on elevated catwalks, working with power tools, and operating stage equipment. I understand that the attendee will receive necessary safety training by professional staff before participating in these activities, and that these activities will be optional for each attendee. If the attendee does not adhere to safety guidelines, I understand and acknowledge that they may be removed from future camp activities.

In the event of injury or illness, I give my consent for medical treatment, and permission to Program personnel to supervise or perform on-site first-aid for minor injuries and to a licensed physician to hospitalize and secure proper treatment (including injections, anesthesia, surgery, or other reasonable and necessary procedures) for the attendee. I agree to assume all costs related to any such treatment. I authorize my insurance company to pay benefits for the costs of such treatment. I also authorize the disclosure of medical information to my insurance company for the purpose of any claim. I understand each attendee must provide his/her own medical insurance. I also understand that I am responsible for any medical or other charges related to the attendee's participation in the Program.

I certify that the attendee is physically capable of participating in the Program activities. I have disclosed any physical limitations or medical problems which might limit the attendee's ability to perform Program activities. The University of Northern Iowa reserves the right to deny anyone the opportunity to participate where a question exists regarding an attendee's physical ability to safely participate in any Program activity.

I HAVE CAREFULLY READ THIS ENTIRE MEDICAL AUTHORIZATION AND SUMMER CAMP/YOUTH PROGRAMS RELEASE, FULLY UNDERSTAND IT, AND VOLUNTARILY AGREE TO BE LEGALLY BOUND BY IT.
